

For 10 decades, the International Brotherhood of Electrical Workers Local 100 has been "Lighting up the San Joaquin Valley since 1912."

We are America's oldest and largest labor union, formed on a national level in 1891. Our members have helped build our nation and our region and have served our communities above and beyond the call of duty.

Our Local 100, chartered June 8, 1912, encompasses a region that includes Fresno, Tulare, Kings and Madera counties. The international labor union has grown to a membership of 750,000 with 800 of those members in our local.

IBEW members are proud to be a part of the growth of Central California. We invite you to join us in commemorating this centennial milestone and appreciate your support.

**IBEW local 100 proudly presents our centennial celebration**
