

# **IBEW LOCAL 100 DISPATCH PROCEDURES**

## ***EFFECTIVE November 4<sup>th</sup> 2024***

---

### **Strike/Turndown language from dispatch procedures**

#### **4. DISPATCH**

...

- c. Failure to accept a referral, whether it is a long-call or a short-call, either by refusal or being unavailable when a referral could have been accepted, will result in a “turndown” unless the referral was for “a special-skills call”; the registrant is on official union business at the direction of the Business Manager; or the registrant has registered with the dispatcher as disabled or on vacation as prescribed below.
- d. At the time of registration, the registrant may designate a preferred geographical work area within the Local’s jurisdiction, either North (Fresno and Madera Counties) or South (Kings and Tulare Counties) where he/she will not receive a “turndown” as discussed in the preceding paragraph, unless one or more calls remain unfilled upon conclusion of referral. In the event one or more calls remain after at the conclusion of referral, the remaining call(s) will be run through dispatch once more with no exemption from the “turndown” based on geographical preferences.
- e. Registrants will receive a maximum of one (1) “turndown” per day.
- f. All “turndowns” are cleared upon accepting a referral. This shall not apply in the case of rejection due to lack of state certification or trainee registration.
- g. Registrants will be allowed two (2) “turndowns” without penalty. However, registrants will be removed from the Out-of-Work List upon receiving a third “turndown.”
